Defendant.)	

BEFORE THE COURT is the parties' stipulated motion to remand this case pursuant to sentence six of 42 U.S.C. § 405(g) for further administrative proceedings, **ECF No. 22**. The parties have consented to proceed before a magistrate judge, ECF No. 7.

After considering the stipulated motion, ECF No. 22, **IT IS ORDERED** that the **motion is GRANTED**. The court finds good cause exists for a sentence six remand because there is evidence the Appeals Council received a vocational assessment before they declined review but no evidence that it was considered.

IT IS FURTHER ORDERED

The case is **REMANDED pursuant to sentence six** of 42 U.S.C. § 405(g) for further administrative proceedings, including:

The Appeals Council will vacate the denial of the request for review, reinstate the request for review, and consider the vocational assessment of Robert Cornell, M.S., C.V.E., dated April 29 - May 12, 2010.

This Court shall retain jurisdiction. The Commissioner shall

1 provide status updates to plaintiff and to the Court every 60 days
2 while this matter is pending at the Appeals Council.

3 DATED this 15th day of October, 2012.
